Community Update

Road Cleanup – March 22

On March 22, we held our annual road cleanup along Wedgefield Road out to Highway 701. Thank you to Blaine Beadle for organizing the event, and to all the volunteers who spent about two hours picking up trash along the road. We also want to recognize those who came out the previous Saturday to clean up—your efforts are just as appreciated!

Easter Egg Hunt

The Easter Egg Hunt this past Saturday was a big success, thanks to the Communications Committee led by Cindy Fry. Special thanks to Georganne Ridgill, with help from Stephanie Hanson, Sharon Lackey, Mary Sasso, Stan Earnhart, Hank Pappas, Blaine Beadle, and Eileen Kramer. About 25 kids attended, along with parents, grandparents, and other community members. The kids had a great time hunting eggs, playing games, and enjoying snacks and icees. We look forward to the next event!

Insurance Claim Update

We're pleased to report that the new HVAC unit was installed over the weekend—thank you to Nate Nadeau for making this happen at a significant savings to the WPA. Prior to this meeting, the board held a workshop to work through the remaining repairs to both the building and the brick sign at the community entrance. We're aiming to complete this work within the next two weeks.

Get Involved

We're always looking for committee volunteers. If you're not ready to join a committee but still want to help, there are plenty of opportunities to volunteer at special events. It's a great way to connect with friends and neighbors while giving back to the community.

Thank you all for your continued support!
