

Wedgefield Plantation HOA
Apri Communications Report

It seems like forever but since our last Board Meeting, the Wedgefield Road Cleanup Crew gathered up over 20 large bags of trash! Thanks to all those Volunteers!

Thank you to all those who helped at the Easter Egg Hunt and who came out to play! We couldn't do it without you! I'll provide a detailed financial report next month when I return.

Food Truck Tuesday begins 4/29. The trucks will again be in the circle. More details to follow.

May 3rd is Wedgefield's annual Yard Sale. Women of Wedgefield will also be having their annual fund raiser- a Bake Sale. Interested parties should contact me via the HOA office to sign up. We will provide maps to all visitors on the day of the Yard Sale.

July 4

Last month, the Board approved a budget of \$3000. We would like to have a water slide for the kids. I reached out to several different companies. (The company we used last year is no longer in business. We spent \$650). I can get the equivalent of last year's waterslide plus a smaller one for the same price. **\$650 with \$ Kids Inflatables.**

Because we are talking about 4th of July weekend, do I have your permission to move forward? We need to reserve the water slide as soon as possible.

We should have more details finalized by the next Board meeting. We would like to use Lot 5A for this event. It gives us more room to move about.

Respectfully submitted,

Cindy Fry

Communications Chair
