

ARC Report

June 17, 2025

The ARC has given final approval to two new homes completed by Beverly Homes-one located on Patriot Court and the other on Francis Parker. Both are still awaiting final sign-Off from Roads.

We also gave final approval on three minor change applications. The committee rejected one fence application but approved a revised version of another. In addition, approval was given for two minor change applications.

I want to thank the committee for their diligence in reviewing and completing these approvals. A special thanks to Bob McMahan, Mike and Tom Macedo for their time and effort in keeping this process on track. These applications could not have been expedited without their work.
