Before I close, I'd like to thank my committee. As you may know, I've been active with non-profit organizations for over 40 years, often in an executive Board position, and this group of ladies are some of the most dedicated and talented that I've had the opportunity to work with. Thank you, Stephanie Hanson, Sharon Lackey, and finally Georganne. They each bring talents and needed skills to the committee. **WE** can create, debate, and work together as a team. **YOU**, the Board should take note
