

President's Report

July 15, 2025

To say the last few weeks have been chaotic is an understatement. There's been a lot happening, and I know emotions have been running high. I want to be clear—none of us signed up for this kind of tension. My feelings on dredging have always been neutral. That has not changed. I feel that a project as large as this and with such large amounts of expenditures that the entire community should be heard before a decision is made by a few people for all 500 plus homeowners. That's how it should work in any neighborhood that values fairness and transparency.

On a lighter note, we've got some great things happening. The Little Library will be installed very soon, thanks to the hard work and initiative of Trina Davis and Stephanie Hanson. A big thank you also to Eileen Kramer who volunteered to help maintain it.

Our 4th of July celebration was another great success. Thank you to everyone who helped plan, set up, and clean up—and to all who came out to enjoy it.

With the summer heat in full swing, we'll be pausing Food Truck Tuesdays until the fall. We'll look forward to bringing them back when the weather's a bit cooler.

Thanks, everyone, for being here and staying engaged. We may not always agree, but we're all in this together.

Marilyn Weitz
