

President's Report
June 17, 2025

HTC crews have been working in the community this week. According to the workers, they expect to finish their work by tonight. They've also agreed to repair any yard damage caused during the process.

A big thank you to Cindy Fry and Bob Meltzer for setting out the flags for Memorial Day. They looked great and added a nice touch to the entrance. We're looking forward to seeing them again for July 4th, along with the golf cart parade and celebration. Cindy will share more details in her report.

Thank you all for your continued support—it's been a true team effort.
