Hi Robert,

Please attach this report to the packets for the board meeting tonight.

Good evening,

During the week of Oct 13th, the Landscaping Committee removed the old flowers and prepped our 5 beds for planting. On Friday October 17th, the landscaping committee planted perennials as requested. A huge thank you to the members of the committee: Nickie McNair, Patrick Montgomery, and Mary Sasso for your hard work. I also want to thank Dawn Cope and Herb Speight for helping out the committee and your neighbors.

I look forward to giving a full report from the past year during our annual meeting.

Thank you,
Jen Lawrimore
