

President's Report

September 16, 2025

Thank you all for attending. We are working with a new sound system and microphones so bear with us as we get used to this new equipment. It should greatly enhance the quality of the streaming for viewers at home. Thank you to Rob for installing the new equipment and working to get it all running smoothly.

Moving into fall we are getting ready for our Sweet and Savory cook-off being planned by the Communications Committee. Check the Facebook Bulletin Board for details.

The latest edition of the Wragg was sent out. Thank you again to the Communications Committee for putting it together. A special thanks to Sharon Lackey for the layout and spectacular graphics. Be sure to check it out on the website or pick up a copy here in the office.

Our Secretary is preparing the ballots for the annual meeting which will be sent out in a couple of weeks. With many by-law changes and an important covenant change included, a town hall is scheduled for October 2 here in the WPA office. Meet the Candidates Night will be October 7. You will hear those details from Eileen Kramer, the NomCom chairperson.

Our Long Range Drainage Plan Committee will soon get underway and I am asking the board to approve the appointment of Steve Garner to that important committee.

Thanks again to everyone for being here.

Marilyn Weitz
